Stock offered are strong divisions of field clumps.

We guarantee all shipments to be sent out in good growing condition, plump, true to name and of standard size.

All complaints must be made within ten (10) days after receipt of shipment. (Except being true to name, and that as soon as possible.)

**TERMS**—Are cash or part cash, with C. O. D. shipments. No packing charges.

Telegraph orders receive our special attention.

Dahlia bulbs shipped by express are rated as second class and are listed as perishable.

All freight and parcel post shipments travel at purchaser's risk as freight companies do not insure against freeze. Freight shipments travel slow and are handled rough. First-class freight costs about the same as express.

If order is not too large, it will travel much cheaper via parcel post. We will be glad to help you watch the weather to keep your bulbs from freezing.

If no postage is included with parcel post order, we will send C. O. D. for postage.

## **AIDA**

25c each or \$15.00 per hundred

We consider this variety the best of the new Grand Opera Series. Has a delicate salmon yellow throat with outer petal a glowing pink. Many call this a cast of old rose. If watered will bloom continuous until a killing frost.

## **LA BOHEME**

Has unusual large heads of flowers. This dwarf green plant is very outstanding in your garden with its glowing rosy peach shades. A continuous bloomer and a dwarf plant.

## **PFITZER'S SHELL PINK**

If you want a true pink canna, this is it. The very dwarf plants are ideal for bedding purposes.

## **PFITZER'S PRIMROSE-YELLOW**

A short compact plant with green foliage and giant size flowers of a pleasing soft yellow. Can be planted in your yard or in tubs for your terrace.

## **PINK GIANT**

25c each or \$7.00 per hundred

This is the best commercial pink we have found. It has a green foliage. Our bulbs are plump and good for counter sales.

## **RIGOLETTO**

We prefer this yellow above others for it blooms during the entire season and is outstanding in any yard. The flowers are of unusual large size above the beautiful green foliage.

## **THE PRESIDENT**

25c or \$7.00 per hundred

Of all the reds introduced to the market, none measures up to this variety in our gardens. We have discontinued growing all reds except The President. Has a good deep green foliage and flowers are extra large. Blooms continually. Good bulbs for counter sales.

## **WYOMING**

25c or \$7.00 per hundred

This canna is in a class to itself. Has beautiful gold flowers above a bronze red foliage. Grows about eight inches taller than other dwarf cannas, therefore very good to use in center of beds or background for the lovely pink shades. Large bulbs for counter sales. Plant early Spring, 4-6 inches deep.

When ordering in larger lots for counter sales, we will include, free of charge, a counter display card in color upon request.
